

SUNCHASE AT LONGWOOD & THE GREENS AT SUNCHASE RENTAL CRITERIA

Management Services Corporation strongly supports the applicable Federal and State Fair Housing laws in both spirit and actual practice. All policies set forth below are to be strictly adhered to without regard to race, color, religion, sex, national origin, handicap or familial status. All prospects are to be treated in the same manner when marketing an apartment or rental property. Guidelines for acceptance of a lease agreement for all applicants are outlined below:

Note: Anyone 18 years or older who will be living in the apartment must complete an application and qualify according to the guidelines set herein. A minor who turns 18 during occupancy will be required to complete application at lease renewal, but will not be subject to the qualifying guidelines. However, if the qualifying resident(s) is removed from the lease agreement, the existing occupants will be subject to re-qualification guidelines as outline below.

I. Rental Scoring

Sunchase Apartments rely upon statistical scoring model to determine the relative financial risk of leasing an apartment to you. We use a third party screening company, CoreLogic to screen all applicants. In order to estimating risk, rental scores are an objective and consistent way of reviewing relevant application information, and help speed the applications approval process.

How is my rental score determined?

Rental scoring systems assign pointes to certain factors identified as having statistical correlation to future financial lease performance. Your rental score results from a mathematical analysis of information found in your credit report, application, and previous rental history. Such information may include your bill-paying history, the number and type of accounts you have, collection actions, outstanding debt, income, and the number of inquiries in your consumer report. The final number, or rental score, represents an estimated level of risk as compared to the performance of other consumers in a range of scores.

Because your rental score is based upon real data and statistics, it is more reliable than subjective methods of evaluating your information. Rental scoring treats all applicants consistently and impartially. Additionally, your rental score never uses certain characteristics lie – race, color, sex, familial status, handicap, national origin, or religion - as factors.

Where can I have my score explained?

Should your application be denied based upon your rental score, you can learn which factors most negatively influenced your score by contacting the consumer reporting agency listed below. Additionally, you can obtain a free copy of your consumer report, if you make the request to the consumer reporting agency within 60 days of the denial.

III. Name Additional and Deletion

Name Deletion. Name deletion is the removal of a person from a lease agreement with the permission of all parties concerned. The remaining resident(s) on the lease must re-qualify under our current criteria if we originally combine the income of all applicants.

Name Addition. Name addition is the adding of a person to a lease agreement with the permission of all parties concerned. The applicant will follow the criteria outlined above. To qualify for the full rental amount, the new applicant’s income will be combined with the current resident’s income. Applicants who qualify with combined income will be required to re-qualify in the event that one of the leaseholders wishes to remove themselves from the lease agreement. The current resident will be required to complete a new application, unless they have lived with us for less than 6 months. In the instance that the name addition applicant is processed and “approved with conditions” we will automatically accept the applicant based on the acceptance of the existing residents.

IV. Undergraduate Students at Sunchase at Longwood

A full time undergrad student may be exempt from the above criteria with acceptable proof of enrollment and must follow guidelines/criteria listed below:

- Applications are submitted and completed electronically via the Sunchase website. A full-time undergraduate student who has completely filled out their rental application, will be exempt from the Landlord's regular criteria, provided the student's Guarantor has completed required form(s). The Guarantor's Lease Guaranty Form must be completed, signed, and returned electronically within 24 hours of receipt of their electronic DocuSign envelope. In the event that this form is not returned within the specified time period, Landlord reserves the right to qualify the applicant under the Landlord's regular criteria. If applicant does not qualify under the criteria, the Lease Agreement may be declared null and void. If not so cancelled, the Lease Agreement shall continue in full force and effect.
- If the student cannot provide a Guarantor, Sunchase will attempt to qualify the Applicant by screening the Applicant through Corelogic under the Landlord's regular criteria.
- If the student does not qualify on their own, and does not have adverse credit and/or rental history, they will be allowed to volunteer to pay the lease in full (**or** they can still get a guarantor if they want). If they have adverse credit and/or rental history, they cannot volunteer to pay the lease in full or get a guarantor.
