PAYING RENT

We encourage residents to use our online resident connect portal to make rent payments. It is easy and convenient, and you can see your payment on your ledger right when you make it. Using an electronic ACH transfer from your account to pay rent is FREE with no transaction fees. If you use a credit card, there is a small transaction fee up to 3.5%. Fees subject to change with proper notification.

If you do not wish to make online payments, personal checks, money orders and cashier's checks are also accepted. During office hours you may pay rent at 501 Sunchase Blvd., inside the clubhouse. After hours, you may drop your payment in the drop slot to the left of the front door of the clubhouse. If mailing rent, please send in advance to:

The Greens at Sunchase Apts.
501 Sunchase Blvd.,
Farmville, VA 23901

Please write your building number and apartment letter on your payment. Cash is not accepted.

Rent is considered to be paid when received by the office, regardless of the postmark date. Rent is due on the 1st day of each month for that month (i.e. January rent is due on January 1.) In the event that all rent, fees, and other charges are not paid in full and received by the 5th of the month, Resident agrees to pay an additional charge or a late fee of ten percent (10%) of the total unpaid balance, a \$5.00 late fee on utility sub metered or RUBS charges in accordance with Virginia Code § 55-226.2, as amended, and a legal processing fee not to exceed \$40. A late fee is automatically charged on the 6th of the month regardless of weekends, holidays or office hours. Please allow extra time for holiday and weekend mail delivery.

The first installment of rent and fees is due on or before the commencement date of the Lease. The remaining installments are payable by the first day of each ensuing month thereafter, even in the month you renew your lease agreement.

Checks returned by the bank for non-payment will not be deposited a second time. If we receive notification of a returned item, such as ACH transfer, credit card or personal check, a notice that your check has been returned will be sent from Sunchase to you, upon notification from our bank. Returned items will cause the addition of late fees to your account as well as a \$40.00 returned payment fee. Your account will be considered delinquent until all rent and fees have been collected.

SNOW

When there is a forecast for snow, please park your vehicle a few inches back from the curb to facilitate plowing and to prevent damage to your vehicle as sidewalks are cleared. Residents are responsible for clearing snow away from individual vehicles. MSC is not responsible for damage to any abandoned vehicles that could not be properly parked due to stormy conditions.

IMPORTANT COLD WEATHER REMINDERS

We want to take this opportunity to remind you of a few preventative measures that can make your winter experience a pleasant one:

HEATING RELATED REMINDERS:

- Please leave your heat set at 65 degrees or higher. This will help to prevent frozen pipes and possible leaks.
- Lack of heat is considered an emergency; please call our emergency maintenance at 434-392-7440 option 2 should you ever experience a loss of heat. Be sure to select the appropriate option for an emergency situation if you are calling after hours.
- Under extremely cold conditions, leave bathroom and the vanity doors open under your sinks so that heat will be sure to reach the pipes when it's especially cold. By following this advice you reduce the risk of freezing pipes, which can cause a large water leak in your apartment.
- In the event that you turn your water on and no water flows from the faucet please CALL US IMMEDIATELY. This could indicate that your pipes have frozen and a burst is possible.

SNOW REMINDERS:

- **FOR YOUR SAFETY WE RECOMMEND THAT IF YOU CAN, PLEASE STAY AT HOME DURING SNOW OR ICE STORMS.**
- If the forecast is calling for snow, please be sure to park your car back away from the sidewalk so that we may be able to fully access all sidewalks. MSC is not responsible for damage to any abandoned vehicles that could not be properly parked due to stormy conditions.
- Keep in mind that even after the roads are clear the melting and run off will continue to freeze at night. These conditions can make the parking lots and sidewalks treacherous late in the evening and early in the morning. Again, we recommend that you not drive during these conditions.
- As conditions permit we will strive to clear parking lots and sidewalks of snow and ice; however, please use caution whenever there is inclement weather.
- Residents are responsible for clearing snow away from their individual vehicles.

Again, 24 hour emergency maintenance is available; please call 434-392-7440 and select the appropriate option for an emergency situation (night or day) if you are concerned with any heating concerns or the possibility of frozen pipes.

TENANT LEGAL LIABILITY INSURANCE

Tenant Legal Liability Insurance (TLLI) is an insurance policy that protects you for your legal liability for damage to the Landlord's property for the following causes of loss: fire; smoke; explosion; backup or overflow of sewer, drain, or sump; water damage; falling objects.

TLLI is required to live in this community. You may choose coverage through us, or you may obtain your own coverage through the provider of your choice. A minimum of \$50,000 in coverage is required.

MAINTENANCE AND MANAGEMENT ENTRY

The Sunchase Maintenance and Management Staff, as well as contracted employees, have the right to enter apartments for inspections and repairs, but advanced notice will be given and they will always knock first and announce themselves upon entry. In the event of an emergency situation, advanced notice is likely not possible.

CONDUCT AND NOISE COMPLAINTS

Living in a community requires consideration of others, especially where noise is concerned. Residents and their guests are expected to extend common courtesy to their neighbors.

Most noise complaints result from boisterous behavior or loud stereo systems. Noise of this nature does travel very easily. If you encounter noise problems, we ask that you first talk to your neighbors about the problem. Often residents do not realize how clearly sound does travel.

There is a noise ordinance in the Town of Farmville. We will provide a copy of the Farmville Noise and Alcohol Ordinance upon request. Please contact the local police if you are experiencing a serious problem after hours. Also notify management the following business day with the apartment number of the offending resident and the details surrounding the complaint. Please be advised that repeated noise complaints may result in warnings and possibly eviction, should the problem continue.

You are responsible for the actions and damages of your guests and any uninvited guests who might enter Sunchase as a result of your gathering, whether such actions are known by you or not. All costs incurred by the Landlord as a result of a party or gathering will be your responsibility.

During office hours you may contact the leasing office at 434-392-7440 if you are experiencing a problem. If after hours, please contact the Farmville Police Department at their non-emergency phone number, or contact our Courtesy Officer, Officer Ragland, at 434-547-2375.

SMOKE DETECTORS

You are responsible for maintaining your smoke detector during your occupancy of the premises. Smoke detector alarms are installed to give you early warning of dangerous smoke. Your smoke alarm is hard wired and equipped with a back-up battery. If a back-up battery should fail during your occupancy, please notify your property manager immediately.

Please be advised that if this battery is removed from your smoke alarm at any time during your residency, or if the battery is missing at the time of your move-out inspection, you will be billed for the replacement of the battery. Please test your smoke detector periodically to assure it is working properly. This is for your own safety and that of your neighbors in the unlikely event of a fire. Do not disconnect your smoke detector. You could be held liable for unhooking it during your residency. Please help us utilize this safety feature to its maximum potential by keeping it in good working order at all times. If you have a battery-operated detector, an

intermittent beeping means that the battery is running low and you should contact the Sunchase maintenance for replacement of the battery. We appreciate your cooperation.

LOCKOUT SERVICE

In the event that you are locked out of your apartment:

During business hours, a key may be obtained from the rental office. Keys that are borrowed during office hours must be returned within thirty (30) minutes or by the close of business that day, whichever comes first, or you agree to allow Landlord to re-key the lock. You agree to pay for the cost of the labor and materials to re-key the lock.

After business hours, you can try calling 434-392-7440. We cannot guarantee that after-hours lockout service is available. If a key is delivered after business hours, you agree to pay a fee of \$70.00.

Only residents on the lease may obtain a key and must provide positive identification. Attempting to gain entry by other means is prohibited.

When a change of residents occurs, the front door locks will be changed for that apartment. This is done each time someone moves out of an apartment for the safety of current and new residents. Typically, a notice will be placed on the apartment door one business day before the locks will actually be changed, and residents should come to the Sunchase office to obtain their new key. Identification will need to be presented for security purposes. As stated in the lease, residents must notify management if taking a vacation or leaving town for more than seven days.

If you know that someone will be moving out while you are out of town, and it is likely that you will be returning after locks have been changed AND after office hours, please contact the office to make arrangements for obtaining your new key.

On or before the expiration date of your lease, all copies of the keys to the premises must be returned to the offices of Sunchase Apartments, Farmville, Virginia. Failure to do so will result in a charge to you to replace or re-key all locks.

PARKING & VEHICLES

Sunchase provides residents with convenient parking. Each Sunchase resident receives one parking sticker for his/her registered vehicle. To obtain parking sticker residents must provide a valid driver's license and vehicle registration to the management office.

Your parking sticker must be clearly and securely displayed on your rear window in the lower right corner. If your sticker is damaged, you may obtain a new one, at no charge, by returning the old one. If your sticker is lost, you may obtain a replacement sticker for \$30.00. Temporary passes are issued for one week in the event you change vehicles.

The parking is available on a first-come, first-serve basis, and cannot be guaranteed a space. Sunchase does provide a limited number of guest spaces. Residents are allowed to park one vehicle against their building entrance (front or rear of building). If you have additional vehicles, they must park in auxiliary spaces (not in front of the building). Residents are responsible for their guests at all times. GUESTS must park in overflow/auxiliary parking spaces. Guests not parked in said spaces are subject to being towed at the vehicle owner's expense.

In order to protect all residents, towing is unfortunately necessary to keep fire and traffic lanes clear. Parking is prohibited in front of the dumpsters and where posted. Handicap accessible spots are reserved for those with a DMV permit. **Any vehicle parked illegally, or without permit, even with a sticker, can be towed at any time without notice at the vehicle owner's expense.** Cars parked in the fire lanes or other "no parking areas" will be towed at the vehicle owner's expense even if the car has a sticker.

Any vehicle that is in an unsightly state of disrepair, has flat tires, is jacked up on supports, is inoperable or lacks proper state licensing may not remain on the property for more than 72 hours. Any vehicles violating this rule are subject to towing at the owner's expense without warning. We ask that you do not wash or repair your vehicles in the parking area.

No trailers, recreational vehicles, boats, or any motorized vehicle may be stored on premises without prior consent from the property manager.

BICYCLES. MOTORCYCLES

Motorcycles and bicycles should not be stored improperly on Sunchase property. At no time can they be stored inside your apartment, on your balcony, on the apartment landings or attached to a railing of any part of the building. The City and State Fire Codes prohibit the placing of bicycles, motorcycles and trash at entrances or on steps or landings of buildings. Mopeds and motorcycles are prohibited inside apartments. Please use the bicycle racks that Sunchase has provided for storage of your bicycles. Please keep mopeds and motorcycles within a single parking space in the parking lot.

TRASH

Dumpsters are located throughout the community for your convenience. Please put trash in the dumpsters. If you find a dumpster full, please use another one. Do not set trash outside of the dumpster on the ground, as animals will tear the bags and spread the trash. Please do not leave trash bags or other debris outside your apartment entrance. If it is necessary for us to remove trash, your account will be billed. The charge for trash removal is \$50.00 per bag to the apartment responsible. This includes cigarette butts and any other debris thrown from porches or left on stairways, in breezeways or outside of apartment doors. Any larger trash items found in the breezeways or anywhere on the property will be removed and charged accordingly to the residents.

Dumpsters are for disposal of household trash only. Do not dispose of furniture, boxes, moving debris, cardboard, clothing, etc. in these containers. All items other than household trash should be disposed of at the County Landfill or other facility at the expense of and responsibility of the resident. You might also consider donating items to the Salvation Army or other such charity organization, or selling items to second-hand or used furniture business.

Prince Edward County Landfill: (434) 392-3675 Tuggle Road

RECYCLING

The town of Farmville Public Works Department provides recycling curbside service twice a month at Sunchase. Please place your recycling bags in the recycling corral located beside the playground near the clubhouse. All glass, plastic and aluminum can be commingled in one bag and paper products (other than magazines, catalogs and glossy paper) can be placed in a separate bag. Please do not place anything in the recycling bin that is not in a bag. The Town of Farmville will not accept anything that is not in a bag.

Due to individual living preferences it is important that you discuss your plans to obtain a pet with your roommates in advance. We require a *Pet Addendum* for any pet.

APPLIANCES AND PLUMBING

Apartments are equipped with a washer and dryer, dishwasher, microwave, range, refrigerator and appropriate locks. No other washer, dryer, portable dishwasher, locks, freezers or other equipment may be installed in any unit without the written permission of the Landlord.

You are responsible and will be charged for any misuse or abuse of the appliances, furniture (where applicable) and equipment in the apartment.

Shower Stalls/Tubs: Do not clean with any abrasive that will scratch surfaces. Always close your shower curtain fully during use to prevent leakage and use a heavy bath mat on the floor. Mold and mildew can be kept to a minimum if you will keep your bathroom as ventilated as possible.

Toilets and Drains: Please use a plunger to try to clear a clogged toilet. After making this attempt, call 434-392-7440 for assistance. Do not flush paper towels, cotton swabs, tampons, condoms, diapers or any foreign object down drains. There may be a charge for removal of any foreign objects as well as any resulting damages.

UTILITIES

Electricity and water/sewer must be connected in your name from the day the Lease begins and must remain connected throughout the lease period to avoid damage to the apartment and appliances. You need to plan for this in advance of your lease start date by contacting Dominion Energy and The Town of Farmville. Any electric service and/or water/sewer that is not covered under your service accounts during the lease term, will be billed to you by Sunchase to recover our costs for the services, including connection fees. An administrative fee of \$15 per bill, to cover the cost of processing, will also be added.

The gas usage for the fireplace, if applicable in your apartment, will be billed to you by Sunchase monthly when the apartment gas meters are read. You do not need to contact a gas provider for this service.

Telephone, computer and cable lines inside the apartment are neither maintained nor altered by Sunchase. Contact your provider for any questions or problems. **Alterations or additions such as phone jacks may be installed only with your property manager's approval.**

SATELLITE DISH INSTALLATION

A new FCC ruling effective January 22, 1999 will permit, with certain restrictions, the installation of an individual satellite dish, of 18" in diameter or less (one meter 39.37") within a resident's leasehold. **Before installation** you must contact your Property Manager to review the restrictions and sign the appropriate addendum to your Lease Agreement.

4. The satellite dish must be a stand-alone system. A resident may not splice into any existing wires or cable.
5. Under no circumstances can a device extend the dish or antenna beyond the balcony railing, patio line, or fence.

In general, you will need to sign an addendum to your lease prior to, and arrange for an inspection after, the dish installation.

All questions about signal reception, installation and cost of satellite dishes should be directed to the provider of your choice. Management Services Corporation does not assume any responsibility for assuring signal reception to any unit or making provisions for or providing costs of satellite service to a resident.

LEASE TAKEOVERS, SUBLEASES, AND TRANSFERS

Because of your personal liability and our obligation to act in accordance with the Fair Housing Laws, no advertisement for lease-takeovers or sublets and no agreement to take over a lease or sublet are to be done without permission from management.

Resident Request to Transfer (during an active lease / lease term)

- A transfer will be done (provided there are available apartments) in any situation in which the resident wants to move from one premises to another, during an active lease / lease term, whether within the same apartment or to an entirely new apartment in Sunchase. Transfer approval is at the discretion of management. Transfer between The Greens at Sunchase and Sunchase at Longwood is prohibited.
 - If resident fulfills their current lease / lease term, they may simply sign a new lease for a different room/apartment.
- A new lease agreement must be signed. The new lease agreement will reflect current market rate pricing. The original contract will be voided.
- A transfer is not an available option into a premises that is currently under a lease by another person who is looking for a lease takeover or sublet.
- **A transfer fee equivalent to \$300, plus a new \$150 refundable security deposit and reimbursement of any concessions received during the current lease, will be due at the time the transfer is requested. We will not require a new pet fee, if applicable, new restoration fee, or another application fee.**
 - The original \$150 refundable security deposit will be returned, minus any balances due, and/or charges for repairs and cleaning, within 30-45 days of lease end date.

Resident Request a Lease Takeover

- A lease takeover will be signed when any change in residents is needed.
- A Lease Takeover Agreement must be signed by the original resident and a fee equivalent to \$300 be paid *before* an approved applicant will be allowed to sign the lease addendum & move in. In addition, reimbursement of any concessions received during the current lease will be due.
- The applicant must be approved by our criteria. If applicant qualifies with a guarantor, a guarantor application and Lease Guaranty must be signed for the new resident.
- The new resident and original resident must sign an addendum to the lease to add the new resident and remove the current resident from the lease. Therefore, the lease terms, monthly rent and ending date remain the same and in full force.
- The premises must be vacated and prepared for the new resident, unless the new resident agrees to take the premises "As-Is".
- The original resident retains rights to the refundable security deposit, and further, understands that any outstanding balances and/or damage charges will be deducted from the refundable security deposit. Any applicable refund from the refundable security deposit will be sent to the original resident.
- The new resident agrees to pay all new lease fees including but not limited to the application fee, restoration fee and security deposit.
- Rent payment obligations under the terms of the lease remain in force until a new applicant is approved, lease addendum signed, and they take occupancy.
- A takeover request is not a guaranteed replacement for the lease that we do not guarantee we will find someone to takeover.
- Finding a person for the takeover does not include current residents who wish to transfer.
- Resident agrees to bring account balance to \$0 (zero) before name deletion from lease. Any past due monies are due and payable before the effective date of name deletion.

Resident Request to Sublet (during an active lease / lease term)

- Subleases will be signed for anyone wishing to move anytime during an active lease / lease term.
- A sublet request is not a guaranteed replacement for the lease that we do not guarantee we will find someone to sublet.
- The original resident remains obligated to the terms of the Lease Agreement until the termination of the original lease. Therefore, under a Sublease Agreement, both the Tenant and the Subtenant are jointly and severally responsible for upholding the terms of the lease. This means if the subtenant does not pay to rent, the original tenant is still **FULLY LIABLE** for the rental payments and vice versa.
- When a resident wishes to sublease his or her apartment, he or she must bring the prospective subtenant to the office and a Sublease Agreement will be signed by both parties.
 - The subtenant is required to complete an application and will be subject to approval under the Sunchase rental criteria, before the final approval of the sublet will be given.
 - Finding a person for the sublet does not include current residents who wish to transfer.
- A fee of \$100 is due at the time of signing the Sublease Agreement.
- Security Deposit:
 - Sunchase will not collect a security deposit from the Resident’s Subtenant.
 - Tenants are responsible for collecting any, or all, of their security deposit from the Subtenant; however, Sunchase does not require that the Tenant collect a deposit from the Subtenant.
 - Security deposit will be returned to the original Resident at the end of the lease, minus any balances due, and/or charges for repairs and cleaning, within 30-45 days of lease end date.
- Inspections, paintings and cleaning are not performed between the residency of a Tenant and Subtenant. The Tenant agrees to thoroughly clean the premises before the Subtenant takes occupancy of the apartment. In turn; however, the Subtenant agrees to turn over the premises to Sunchase, at the end of the lease term, in the condition in the Policy and Procedure Handbook.
- The Subtenant acknowledges receipt of a copy of the original lease and the Condition Report. It is strongly suggested that the Subtenant thoroughly review both documents. The Subtenant should understand his/her liability for any damages not listed on the Condition Report and review this list with the Tenant in the premises so there are no surprises later.
- If the Subtenant decides to renew the lease (where applicable), the original Tenant’s liability ends on the date of the original lease’s expiration.

OCCUPANCY STANDARDS

Two Bedroom	Maximum 4 people
Three Bedroom	Maximum 4 people unrelated; Maximum 6 people related
Four Bedroom	Maximum 4 people unrelated; Maximum 6 people related

The above referenced Occupancy Standard will always remain in effect and is a reflection of the VRLTA or Virginia Residential and Landlord Tenant Act. With regard to an “infant,” the infant shall not be counted in the total number of persons to be occupying the subject apartment unit. As used in the Rental Criteria, “infant” shall be defined as and shall include any child up to the age of twelve (12) months.

SAFETY AND SERVICES

The entire apartment should be kept free of trash and debris, including all doorways, hallways, furnace closets, utility rooms, balconies, entry landings and stairways. No dangerous or flammable fluids should be kept inside the apartment and especially not stored in any furnace closet. Storage items should be placed at least 3 feet from

furnaces and hot water heaters. The balconies and porches are to be kept neat and orderly at all times. Conventional patio furniture and plants are allowed on the balcony. Unsightly furniture, kegs, trash, laundry, towels, blankets, clothes etc., are not to be stored on the balcony or left in the breezeways or property common areas. **Residents are not allowed to have any type of grill at their apartment by order of the Fire Marshall.** Railings on landings, balconies and porches must never be climbed over or loosened by anyone.

Broken windows will be replaced immediately by Sunchase, but at resident's expense. In most cases breakage is due to abuse, neglect or carelessness on the part of the residents or their guests. If screens are torn or pulled from the building, residents are charged for the cost of repair or replacement. Do not enter the apartment through the screened windows and sliding glass doors. Damaged screens look like easy access to your apartment to people driving or walking by. It is your responsibility to report them promptly to 434-392-7440.

MOLD and MILDEW PREVENTION

It is our goal to maintain the highest quality living environment for our residents. To help achieve this goal, it is important to work together to minimize the potential for conditions that could lead to the growth of naturally occurring mold.

Tips for Residents:

Residents can help minimize mold growth in their apartment homes by taking the following actions:

- A. Open windows. Proper ventilation is essential. If it is not possible to open windows, run the fan on the apartment air-handling unit to circulate fresh air throughout your apartment.
- B. In damp or rainy weather conditions, keep windows and doors closed.
- C. If possible, maintain a temperature of between 50 degrees and 80 degrees Fahrenheit within your apartment at all times.
- D. Clean and dust your apartment on a regular basis as required by your lease. Regular vacuuming, mopping, and use of environmentally safe household cleaners are important to remove household dirt and debris that contribute to mold growth.
- E. Periodically clean and dry the walls and floors around the sink, bathtub, shower, toilets, windows and patio doors using a common household disinfecting cleaner.
- F. On a regular basis, wipe down and dry areas where moisture sometimes accumulates, like countertops, windows and windowsills.
- G. Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until excess moisture has vented from the bathroom.
- H. Use the exhaust fans in your kitchen when cooking or while the dishwasher is running and allow the fan to run until all excess moisture has vented from the kitchen.
- I. Use care when watering houseplants. If spills occur, dry up excess water immediately.
- J. Ensure that your clothes dryer vent is operating properly, and clean the lint screen after every use.
- K. When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet; if condensation does accumulate, dry with a fan or towel.
- L. Thoroughly dry any spills or pet urine on carpeting.
- M. Do not overfill closets or storage areas. Ventilation is important in these spaces.
- N. Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
- O. Immediately report to the management office any evidence of a water leak or excessive moisture in your apartment, storage room, garage, or any common area.
- P. Immediately report to the management office any evidence of mold growth that cannot be removed by simply applying a common household cleaner and wiping the area. Also report any area of mold that reappears despite regular cleaning.
- Q. Immediately report the management office any failure or malfunction with your heating, ventilation, air-conditioning system, or laundry system. As your lease provides, do not block or cover any of the heating ventilation or air conditioning ducts in your apartment.
- R. Immediately report to the management office any inoperable windows or doors.
- S. Immediately report to the management office any musty odors that you notice in your apartment.

WINDOW SAFETY

In June 2000, U.S. Consumer Product Safety Commission released safety guidelines to help prevent falls from windows. Sunchase Apartments supports window safety, and has taken the following precautions to assist residents in preventing window falls.

Window screens are not designed or intended to protect from falls. Therefore, window stops will be installed on all windows upon the resident's request only, which will allow residents to restrict the window opening.

It is the resident's responsibility to notify management of any window problems or if window stops need to be replaced. Please contact us at (434) 392-7440 if you have any additional questions or concerns about window stops, window safety or additional window protection.

We hope this handbook has provided information that is useful to you during your residency at Sunchase. Remember, if you have any additional concerns; do not hesitate to contact the Management Office.
